This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Flatel, Inc. d/b/a Telephone USA (fka: d/b/a Florida Telephone Company) ("Flatel" or the "Company") to reinstate the Company's Certificate of Public Convenience and Necessity. The Certificate was revoked by the Commission in Order No. 2006-55 issued in Docket No. 2005-224-C on January 26, 2006. Subsequently, on November 3, 2006, the Certificate was conditionally reinstated by Order No. 2006-662.

On February 28, 2007, the South Carolina Office of Regulatory Staff ("ORS") informed the Commission by letter that the Company has complied with these conditions.

In this letter, ORS stated that it was in the process of calculating any outstanding

assessments that are due and invoicing Flatel for these obligations. The Commission

requests that ORS report on the progress of its invoicing and receipt of these outstanding

obligations within thirty (30) days of ORS' receipt of this Order. At that time, ORS may

also make a recommendation as to any further action that should, in its opinion, be taken

by the Commission in this matter, if any.

This Order shall remain in full force and effect until further order of the

Commission.
